

Welcome To Chartwells

School Name: St Peter's Academy, Alton

We know how important it is for pupils to receive tasty, wholesome food whilst at school and look forward to welcoming pupils to join the Chartwells family from the start of term.

We love to encourage fun and experimentation at lunch times with our 3-9 year olds. As you'll be well aware, they're in their main development years and helping them make the best choices and broadening their food experiences is so important. Every day we strive to create the most tasty meals, that are nutritionally balanced and compliant with School Food Standards.

This is what we do:

- Create fresh food made with good honest ingredients.
- We cater for all food tastes and dietary requirements – our menus will feature a variety of dishes.
- We encourage all pupils to try something new and regularly provide sample taster pots for pupils to try.

Medical Diets:

- Chartwells have a dedicated Medical Diet Team available year-round to support with medical diet menus.
- The team of nutritionists also deliver continual medical diet training to our kitchen teams and work to promote allergen awareness.
- If you would like further information or have a query regarding the Chartwells Medical Diets Policy please contact a member of our medical diet team chartwells.medicaldiets@compass-group.co.uk

Working Together During COVID

- A range of social distancing signage has been developed specifically for children using a softened message.
- Hand sanitiser will always be available and must be used by all visitors.
- Clear signage and marking on where to stand and queue.
- Thorough cleaning regime in place especially on touch point areas.
- Safe spaces in the dining room, so pupils are sat close enough to engage with their peers, but far enough to protect one another.

Know the basis:
If you are interested in learning more about our school lunches, please let us know and we will be happy to talk to you in more details. Our catering team are always contactable for any questions and queries.

What will you see in the Autumn term?

- ✓ New improved menus.
- ✓ Delicious **homemade snacks** - Seasonal fruit pots, low sugar such as our delicious fruity flapjacks.
- ✓ Tasty hot lunches, seasonal salad bars and homely style desserts
- ✓ Food education and interaction program supported by Chartwells Nutrition team.
