

History

This term, our theme is 'What happened before I was born'. We will be looking at key events in history such as: The Great Fire of London and key figures such as: Samuel Pepys. We will explore how houses and lives have changed over time.

Geography

Our theme is 'Who am I and where am I from?' This will involve the children thinking about their families and special times, including holidays. We will discuss what types of holidays the children have had and the geographical features of different places.

R.E

Our focus this term is on asking the question: 'What it is like to be a Muslim?'. We will look at how Muslims worship and lead their lives.

We will also be finding out why Jesus is seen as 'the Light of the World'. We will explore the importance of light in the Christian faith,

Music

This term, we will be learning about instruments and musical symbols.. We will then be exploring sounds.

We will also be learning harvest and Christmas songs.

PE

This term, Soccer Stars will be coaching the children in games skills on Mondays

Our second session of PE will be on Fridays.

Please remember your kit!

Autumn Term 2020

Key Stage 1

Curriculum Information

A booklet for parents

Literacy

Much of our English work will be focussed on our topics. We will be writing about lots of different things, many of which will be topic based. We will be using information, stories and poetry as a stimulus.

We will be concentrating on the presentation of our work as well as improving sentences.

Y1 - the focus will be on writing sentences independently, using phonics to help with spelling and using 'and' to join short sentences together.

Y2 - will be refining their skills in sentence writing, using a range of co-ordinating and subordinating conjunctions, learning to spell 'tricky' words and writing in a range of genre.

Maths

This term, **Y1** will be covering the topics of:

Place value within 10 and 20

Addition and Subtraction within 10

Shape

Y2 will be covering the topics of:

Place Value

Addition and subtraction

Money

Multiplication and division

Science

The science this term will be focussed on 'Changing Seasons'. We will observe the changes that happen over time and discuss why and how these changes happen.

We will observe changes in nature and will comment on how these changes affect us and how we and animals adapt to the changing weather patterns.

ICT

This term we will be continuing to use Purple Mash to familiarise ourselves with the tools and systems we can use to present our work. We will look at effective searching and Lego builders.

Art/DT

In art this term, we will be learning about two textile techniques: weaving and wax resist. We will use a variety of materials including fabric and paper.

In DT we will be learning how to design, select and join fabric.

PSHE

Relationships education - Family and people who care for us, friendships, online safety and being safe.
