

## St Peter's School Association

Thank you to all those that attended the recent AGM. As with last term, fundraising is going to continue to be a little different this year. The PTA usually raises in the region of £2000 per year. Last year the money raised was used for iPads, the Early Years play shed, and other extras for the children. Thank you to everyone who has donated for last term. This money contributed to the birthday parties and Christmas activities in school and the gifts from Father Christmas. We are extremely grateful to the family who very generously covered the total cost of the snow machine hire!

As we go into another lock down, we are still not be able to hold the events we usually do, and so we are inviting you to make a donation for the spring term. To allow school to function and the PTA to support them as they have done in the past, this would average out at £10 per child per term.

This year the money is being used for the birthday parties, the week of Christmas activities and more iPads for the classrooms. We realise that these are difficult times and would be grateful if you would donate as much as you are able to. We will continue to ask for a donation each term, until the COVID situation changes and we can do the usually fundraising. We will not be doing other PTA fundraising during the terms we ask for donations.

If you are a UK taxpayer, please do complete the gift aid form attached as this increases your donation considerably.

BACs details for direct payment: Acc:27776460, Sort code: 30-96-26

Alternatively, cash donations may be given in an envelope directly to the school office.

As always thank you for your support,

St Peter's School Association (PTA)
