## Pupil Premium Statement

2020/21

Pupil Premium Grant (PPG) received

£3690

### Summary of PPG spending 2019/20

In our school we used this funding to:

- Provide additional hours for a teaching assistant to deliver a variety of intervention programmes.

Summary of spending:

- £1320—towards additional teaching assistant hours to deliver bespoke interventions that include Toe by Toe, Precision teaching, phonics activities.
- £150 subscription for Reading Eggs and Maths Seeds intervention online programmes.

Impact of spending:

- Due to the coronavirus lockdown, the impact of the spending can only be recorded up to March 2020. Pupils receiving intervention made an increase of 2 months and 4 months in reading ages. They also both moved up by a book band in the reading scheme. Phonics screening tests did not happen, nor did KS1 SATs so comparative data cannot be recorded.

### Summary of PPG proposed spending 2020/21

- Provide TA hours to deliver interventions including; Toe-by-Toe and Precision Teaching and to use the new Maths Seeds and Reading Eggs programmes with four pupils.
- The impact of this additional 1:1 and/or small group support will be measured by pupils' reading ages being in line or above chronological age and an aspirational target of working at expected levels at the end of Year 4.
- To fund Relax Kids sessions to develop self awareness and confidence for target pupils.
