

### History

This term, we will be looking at people in history who have influenced our lives and effected changes within it. We will study people such as, Florence Nightingale, Louis Braille, and Rosa Parks.

### Geography

We will be studying Sri Lanka. We will look at how this country differs from our own and what similarities we can find. We will compare weather and climate, famous buildings, ways of life the landscape and the kinds of jobs people do.

### R.E

Our focus this term is on asking the question: 'What does it mean to be a Jew?

We will also be finding out 'Why does Easter matter to Christians?'

### Music

This term, we will be learning about timbre, tempo and dynamics.

We will then be exploring sounds.

We will also be learning songs for our Easter service.

### PE

This term, Soccer Stars will be coaching the children in games skills on Mondays

Year 1 will be having gymnastics on Tuesdays with Miss Burrows.

Year 2 will have gymnastics at Big Top on Tuesdays.

# Spring Term 2022

## Key Stage 1

# Curriculum Information

## A booklet for parents

### Literacy

Much of our English work will be focussed on our topics. We will be writing about lots of different things, many of which will be topic based. We will be using information, stories and poetry as a stimulus.

We will be concentrating on the presentation of our work as well as improving sentences.

Y1 - the focus will be on writing sentences independently, using phonics to help with spelling and using 'and' to join short sentences together.

Y2 - will be refining their skills in sentence writing, using a range of co-ordinating and subordinating conjunctions, learning to spell 'tricky' words and writing in a range of genre.

### Maths

This term, **Y1** will be covering the topics of:

Place value within 50

Addition and Subtraction within 20

Measure: Length and height

Measure: Weight and volume

**Y2** will be covering the topics of:

Money

Multiplication and division

Statistics

Shape

Fractions

### Science

This term, the children will be learning about materials and their properties.

They will observe and comment on the way materials react to water, etc. They will do experiments and make observations, recording them and observing changes over time.

### ICT

This term we will be continuing to use Purple Mash to familiarise ourselves with the tools and systems we can use to present our work.

### Art/DT

This term we will be looking at Surrealist art. This will focus mainly on the work of Joan Miro and comparing it with the work of Salvador Dali. This will also include printing and sculpture.

### PSHE

Our themes, this term, are love, respect and friendship.
