

Spring Term

Year A

Key Stage 1

History

This term, we will be looking at people in history who have influenced our lives and effected changes within it. We will study people such as, Florence Nightingale and Louis Braille.

Geography

We will be studying Kenya. We will look at how this country differs from our own and what similarities we can find. We will compare weather and climate, famous buildings, ways of life the landscape and the kinds of jobs people do.

R.E

Our focus this term is on asking the question: 'What does it mean to be a Jew?'

We will also be finding out 'Why does Easter matter to Christians?'

Music

This term, we will be learning about timbre, tempo and dynamics.

We will then be exploring sounds.

We will also be learning songs for our Easter service.

PE

This term, Soccer Stars will be coaching the children in games skills on Mondays

PE is timetabled for Fridays but if the weather looks bad we will do PE on another day.

!Please remember your kit on Wednesdays so it is in school ready!

Curriculum Information

A booklet for parents

Literacy

We will be concentrating on the presentation of our work as well as improving sentences.

Y1 - the focus will be on writing sentences independently, using phonics to help with spelling and using 'and' to join short sentences together.

Y2 - will be refining their skills in sentence writing, using a range of co-ordinating conjunctions, including 'and', 'but' and 'or' to generate compound sentences within their writing.

We are learning to spell 'tricky' words and writing in a range of genre.

Maths

This term, Y1 will be covering the topics of:

Place value within 50

Addition and Subtraction within 20

Measure: Length and height

Measure: Mass and volume

Y2 will be covering the topics of:

Money

Multiplication and division

Measure: Length and height

Measure: Mass, capacity and temperature

Science

This term, the children will be learning about animals including humans.

This will build on the work they have been doing last term. It will extend and develop their understanding.

ICT

This term we will be continuing to use Purple Mash to familiarise ourselves with the tools and systems we can use to present our work.

Art/DT

This term we will be looking at sculpture using nature as a stimulus. We will be using a range of materials to extend our understanding of how nature impacts on art.

PSHE

Our themes, this term, are love, respect and friendship.
