

Summer Term

Key Stage 1

History

This term, we will be learning about the landmarks and history of our local area. It will link very closely with our Geography topic on Kenya. We will find out about the most well-known landmarks and their historical significance.

Geography

We will be studying maps and map reading. The children will look at different kinds of maps and what features they have.

They will identify key things on a map and link them with our local area. We will also have the opportunity to compare our village with a village in Kenya.

R.E

Our focus this term is on asking the question: 'Who made the world?' we will be looking at what the Bible tells us about the creation and what we can learn from it. We will be thinking about what this means for us and what we can do in the future to help to protect it.

Music

This term, we will be learning about timbre, tempo and dynamics. We will then be exploring sounds.

We will also be learning songs for our Summer production.

PE

This term, Soccer Stars will be coaching the children in Athletics on Mondays.

Y2 children will also have athletics on Wednesdays.

Please remember your kit!

Curriculum Information

A booklet for parents

Literacy

Much of our English work will be focussed on our topics. We will be writing about lots of different things, many of which will be topic based. We will be using information, stories and poetry as a stimulus.

We will be concentrating on the presentation of our work as well as improving sentences.

Y1 - the focus will be on writing sentences independently, using phonics to help with spelling and using adjectives to describe.

Y2 - will be refining their skills in sentence writing, using a range of co-ordinating and subordinating conjunctions, learning to spell 'tricky' words and writing in a range of genre. They will also be developing their 'flair' for writing.

Maths

This term, Y1 will be covering the topics of:

Multiplication and Division

Fractions

Position and Direction

Place Value to 100

Money

Time

Y2 will be covering the topics of:

Fractions

Position and direction

Time

Statistics

Science

This term, the children will be learning about living things and their habitats. They will learn about different climates and which animals live in various climates and how they adapt to living there. They will also create local habitats for animals that live in their locality.

ICT

This term we will be continuing to use Purple Mash to familiarise ourselves with the tools and systems we can use to present our work.

Art/DT

In art, we will be looking at landscapes and cityscapes. This will include looking at the work of Monet, Van Gogh and Metzinger. In DT, we will be designing all different kinds of salads: fruit, vegetable and maybe even fish!

PSHE

Our themes, this term, are love, respect and friendship.
