### In EYFS I learned about:

- We learned about ourselves, our families and the people who are important to us.
- We learned that different people live in different homes and environments.
- We learned that some places are special to people and their communities.
- We learned to describe familiar places using observations, discussion, stories, maps and photographs.

Who am I ? Where am I from? Where am I going?

Why do people choose different places to go on holiday?

### Lessons in this unit:

Lesson 1: To know that people choose different holiday destinations in the UK and around the world.

Lesson 2: To know that maps and globes help us locate holiday destinations around the world.

Lesson 3: To know that coasts are where land meets the sea and are popular places for holidays.

Lesson 4: To know that weather and climate can affect where people choose to go on holiday.

Lesson 5: To know that places near the Equator are usually hotter than places near the North and South Poles.

Lesson 6: To know that people choose different holiday destinations because of their weather, climate and human and physical features.

Lesson 7: To know that different holiday destinations offer different experiences and attractions for visitors.

Endpoint Outcome: To create a holiday brochure, poster or map that explains why people choose different places to go on holiday.
